LOVE NOTE

Royal shades of magenta and deep plums inhabited the décor with infusions of ethnic details.

LOVE STORY

Leila and Justin had two priorities when it came to their wedding. They wanted to intermix their cultural heritage and say their "I do's" by the ocean. With those requirements in mind, they began planning their special day. The end result included two lovely ceremonies, grand sofreh, white dove release and a romantic gondola ride around the harbor for the newly married duo.
